

Twitter Marketing Plan

@LoungeTania | Kigali, Rwanda

June 2026

OVERVIEW

Daily Twitter content strategy for Tania's Cuisine & Lounge — a restaurant, lounge, and catering business in Kigali, Rwanda. The plan balances brand awareness with direct response (reservations and orders).

Goals: Brand awareness + driving reservations and orders

Audience: Local Kigali residents, expats/diplomats, tourists

Cadence: Once daily at 11:30 AM Kigali time

WEEKLY CONTENT PILLARS

DAY	THEME	CONTENT	GOAL
Monday	#MenuMonday	One dish photo + price + description	Drive food cravings
Tuesday	#VibeTuesday	Lounge/atmosphere — dim lighting, decor	Attract lounge visitors
Wednesday	#CateringWednesday	Event setup or buffet spread	Book event inquiries
Thursday	#TasteOfKigali	Area photo or drink + local angle	Expat/tourist awareness
Friday	#WeekendReady	Live music, weekend special, chef's pick	Weekend reservations
Saturday	#SaturdayVibes	Casual lounge scene, guests enjoying	FOMO / social proof
Sunday	#SundaySlowDown	Coffee/tea shot + relaxing caption	Coffee bar traffic

VISUAL STRATEGY

- Use area photos as the primary image bank
- Supplement with phone photos of actual dishes (authentic over polished)
- Consistent warm/golden edit tone across all images
- No stock photos ever

CAPTION FORMULA

Keep captions to 2-4 lines max. Structure:

[Dish/Scene name] at Tania's

[One short line about flavor or atmosphere]

[CTA — book, visit, or tag a friend]

KG 8 Ave, Remera

Example:

Beef Fillet Steak at Tania's
Mushroom, peppercorn, or garlic sauce — prime cuts grilled over open flame.
